WEBSITES

Project 2 — <https://streets-artist-brainster.netlify.app>

Project 1 — <https://brainster-lab.netlify.app>

I AM

Front-End developer with 12 months experience in HTML, SCSS, Typescript, Bootstrap, jQuery, Ajax and React. Aiming to actively contribute to the growth of the organization where my functional and technical skills could be utilized to the fullest extent.

EXPERIENCE

Project 1: BRAINSTER LABS – Creating an application used for displaying all the projects that Brainster students of marketing, design and programming made.

Project 2: STREETARTISTS – Creating a web space for every street artist that will allow them to be able to track their income, and to have a place on the web where they can showcase their masterpieces.
