Experience

July 2022 - Present

NOSCO L.L.C | Pristina, Kosovo

PHP & TYPO3 Developer

TYPO3 Developer

Designed three plans every week for software development and testing projects. Controlled and directed installation of application and programming software systems and explained new features of the design, purpose, and implementation to the team using the product. Tested the system with the added refinement to determine if it was effective in improving production and extending the life of the equipment.

March 2022 - Present

GigaVoice | 1000, Skopje, North Macedonia

PHP & TYPO3/Wordpress Developer

TYPO3 Developer

Redeveloped the Wordpress, TYPO3 and PHP website from scratch based on the clients specification, then continued to develop premium website templates based on clients designs.

June 2012 - September 2018

PressClipping | 1000, Skopje, North Macedonia

Medium Analyst & Web Developer

Medium Analyst

Analyse all the mediums and produce news clippings that would be of interest to our clients.

Web Developer • Web Administrator / pressclipping.com.mk

Designed and developed the website for our company in the WordPress platform. Monitor, update, and continuously manage the content of our website once it went live
