PERSONAL PROFILE

I think of myself as someone who has strong interpersonal skills as part of my verbal and written communication. I consider myself tech-savvy since I've been working with diverse types of software through my studies and work experience.

In addition, I put a lot of effort in keeping up with the latest technologies and new features. Throughout my work experience I have practiced working alone and in teams, faced diverse problems and improved my problem solving and decision making skills. I am perfectly able to complete my tasks efficiently and in a timely manner
