## Summary

Want to learn how you can save up to 50% of your operating costs? Reach out here or at [emilija.nikoloska@cosmicdevelopment.com](mailto:emilija.nikoloska@cosmicdevelopment.com), I'd love to share details!

Here's a brief summary on who I am professionally and how I can be of your help.

All started back in 2011, when I had the chance to join a small diligent team of 5 people who just came to work together in a startup called Cosmic. That team of six grew into a company with over 150 professionals located in 3 different countries with offices in Toronto, Belgrade, Skopje and Bitola.

[WHO WE ARE TODAY] We are IT geeks and BPO experts who love helping large enterprises, small companies and startups grow. All by providing the best talent solutions tailored to their needs and budget.

[WHY WE DO THIS] Living in a world where the prices escalate from day to day, it is close to impossible for small businesses and startups to compete and grow their business. We are there to back them up with the best IT and BPO outsourcing solutions, helping them focus on their core business and increase their revenue!

[WHAT WE DO BEST] We identify the needs of our clients and provide the best talent solution. Simply put, we build teams for brands. It's 100% customized approach and that's why most of our clients have been with us for years, if not from day #1.

[HOW WE DO IT] Once we detect the very essence of the client's needs, we pose several carefully targeted talent solutions. The best one is put into action. All thanks to our multidisciplinary skilled team who puts all their passion and creativity into action.

[WHO WE SERVE BEST] Businesses of all types and sizes looking for an IT or BPO support! We are a one-stop shop for all their talent needs. We make them competitive by providing top-notch Canadian quality at a competitive price.

[LET'S CONNECT] If you are a business owner, let's connect! If you have an idea/project or question, it doesn't matter, reach out! Drop me a line here or at [emilija.nikoloska@cosmicdevelopment.com](mailto:emilija.nikoloska@cosmicdevelopment.com).
