SUMMARY

Visual artist, illustrator, graphic and motion designer. Proficient in a large spectrum of the Adobe programs, including **Adobe Illustrator, Photoshop, Indesign, Animate, Premiere Pro and After Effects**. Proficient in **Procreate**. Skilled in creating commercial design content via flat and material design, for printed and digital media. Creator of variously themed illustrations through digital and traditional media, as well as animations and videos.

Experience handling multiple clients in marketing agencies, as well as working as an in-house designer. Worked on illustrations and logos in freelance contracts. Worked for Macedonian, Australian and American employers and/or clients.

Prolific tutoring experience. Always eager for new skills and knowledge.
