## ABOUT ME

Working with people has become my primary interest and passion even before choosing my professional education. My education has allowed me to expand my horizons and allowed me to fully dedicate myself to my work, improving my skills on daily basis as well as perfection when it comes to completing my work tasks.

## PREVIOUS EXPERIENCE

Psychologist / Caretaker at a centre for people with special needs -  
2018 - Current  
- Recreation, fun, learning and help during the day to day activities regarding school or general manners/habits.

## EDUCATION

2013 - 2018  
Graduate Psychologist at University of St. Cyril and Methodius -  
Skopje

## OTHER SKILLS

Teamwork, communication skills, empathy, research and solving of various problems, ability to learn fast and adapt to new studying material, endurance and complete dedication to the tasks at hand and overall work responsibilities. I am also familiar with the complete MS Office package and am proficient at general computer work.
