KONSTANTIN SUKLEVSKI

BUSINESS AND MARKETING MANAGER

ABOUT ME

I am open to new experiences in my professional career. This in combination with my eagerness to learn makes me very adaptive to changes in work obligations. In my personal life I am a very fun-loving person but I always approach the workplace with most seriousness and professionalism.

WORK EXPERIENCE

Infogate IT Systems

Computer systems, Software

MAY 2021 - JUNE 2021

Information IT systems is also an academic field study about systems with a specific reference to information and the complementary of computer hardware and software that people and organizations use to collect, filter, process, create and also distribute data.

An emphasis is placed on an information system having a definitive boundary, users, processors, storage, inputs, outputs and the aforementioned communication networks.

UNIVERSITY SKILLS AND PROJECTS

Data Analysis Project:

- Analyzed and presented data-driven insights for a real-world business case during university coursework.

Web Development Portfolio:

- Developed and maintained a personal website showcasing web development skills and projects.

Graphic Design for University Events:

- Designed promotional materials for university events and clubs, enhancing branding and visibility.

Digital Marketing Campaign:

Led a team in creating and implementing a successful digital marketing campaign for a university project, resulting in a 30% increase in online engagement.

COMMUNICATION

I have great verbal and written communication skills in both the Macedonian and English language. I can formulate professional-sounding sentences with concise meaning that cuts right to the point.

INTERESTS AND HOBBIES

- Cycling, Running, Gym
