ABOUT ME

I am 19 years old. I was born and raised in Mogila. I enjoy listening to music, hanging out with friends and meeting new people. I am a self-learning and highly reliable person who is able to work in a fast-paced environment with outstanding time management and organizational abilities but also an intelligent and loyal team member who can multitask while paying attention to every detail. I am enthusiastic to gain new knowledge, skills and techniques needed for the desired job position.

EDUCATION

SOEU „Jane Sandanski”, Bitola, North Macedonia

2018-2022

Field of study: economy and trading.

An average student

Finished all of the years with good grades, participating in many projects organized by my high school and also participated in events by other organizations that took place at my school and out of it.

Megjunaroden Slavjanski Univerzitet „Гаврило Романович Державин”

2022-

Field of study: Finance and banking

Its my first year, passed all my exams so far, I don't find it challenging so I am looking for other challenges in life.
