## SUMMARY

I like to consider myself as a hardworking and honest individual. Punctuality is a characteristic of mine that I consider valuable in my future workplace. This line of work requires friendly approach while maintaining the highest level of professionalism, which I can provide. I try to be as helpful as I can be and make sure that I have a positive impact on my surrounding workplace, along with my polite attitude and good sense of humor, I think that I would be a good addition to any workplace.

## INTERNSHIPS

### Front-end Intern

Aug 2023 - Oct 2023

Purple Dot, Skopje

Contributed to the development of a dynamic web application using Next.js and Tailwind CSS. Key responsibilities included:

- Implemented frontend features for seamless user interaction.
- Styled components with Tailwind CSS, ensuring a cohesive design.
- Optimized performance for enhanced user experience.
- Collaborated with cross-functional teams and participated in agile development.

This internship honed my skills in Next.js and Tailwind CSS, emphasizing responsive design and collaborative development practices.

## EDUCATION

Mar 2022 - Mar 2023

Brainster Academy, Skopje

- Designed and developed websites using HTML, CSS, and JavaScript.
- Created and maintained web applications using jQuery and Bootstrap frameworks.
- Improved website performance by implementing best practices for web development and optimization.
- Worked closely with UI/UX designers to implement their designs and improve user experience
