EXPERIENCE

Marketing Assistant Campster, Belgrade

2021 - 2023

Managed and implemented newsletter email campaigns across diverse platforms, covering regions such as Serbia, Bosnia and Herzegovina, Croatia, Romania, Bulgaria, and Ukraine.

Mentor in programming courses Campster, Belgrade

2017 - 2023

As a programming course mentor, I've provided guidance and expertise in various areas, including:

- Web Development (HTML, CSS, JavaScript)
- Backend Development (PHP, MySQL)
- Java and C programming fundamentals
- WordPress
- Introduction to Programming concepts
- Assignment evaluation and feedback
- Mentorship and student support, fostering collaborative learning environments and providing assistance through online channels.

Intern Campster, Belgrade

2017 - 2017

Actively participated in an ongoing process of continuous learning and professional development under mentor supervision. Showcased proficiency in a diverse array of programming languages and technologies.
