## Mobile (Android) Engineer

Petar Deljan 7/2-16, Skopje, Macedonia

markov.gorjan@yahoo.com

072-308/479

## SKILLS OVERVIEW

- **Technical skills:** Android, Kotlin, Gradle, Jetpack Compose, C#, .NET Core, Entity Framework, Mediator pattern

## LANGUAGES

**Macedonian** - Native

**English** - Professional

## EXPERIENCE

**Sia Soft, Skopje, Macedonia** - *Mobile (Android) Engineer*

AUGUST 2022 – PRESENT

- Working as a back-end developer in .NET using the mediator pattern and entity framework. Implementing CRUD operations, database connections, fluent validation, auto mapper, mediator handlers, implementing complex logic into handlers.
- Working in a team environment. The Project has multiple Android Apps used for managing events, time tracking, and a POS system. The team consists of multiple developers, quality assurance, designers working together. The technologies that I used: Kotlin, Kotlin Coroutines, Retrofit, MVVM Clean Architecture, Jetpack Compose, Dagger-Hilt, Gradle, .
- Worked under a mentor for 3 months, then it transitioned into dual programming on multiple Android Applications, from planning to production.
- Planning, writing tasks, estimation on projects, knowledge sharing with colleagues, managing gradle, bug fixing, code refactoring, code reviews, code versioning, presenting, maintaining multiple applications, performance updates, android version updates.

## EXPERIENCE (INTERNSHIP)

**Mecoms Ferranti, Skopje, Macedonia**

APRIL, 2022 - JULY, 2022

- Learned the business logic and the Dynamics Finance and Operations User Interface. Worked on Quality Assurance, automating test cases in the UI.

## **Netcetera, Skopje, Macedonia**

AUGUST 2021 - OCTOBER 2021

- I was a part of the summer internship in Netcetera, where with the help of my mentor I developed an instant application from an already existing application. I learned about the development process, running tests and what they are used for, reusing code. Also experienced what it is like to work in a team to have deadlines and tasks.

## **EDUCATION**

**Ss. Cyril and Methodius University Skopje-Faculty of Electrical Engineering and Information Technologies**

*B. Sc. Computer technologies and Engineering*

OCTOBER 2018 – FEBRUARY 2023
