

## Cover letter:

I'm Erhan Demirov from Bitola N.Macedonia address which I live karadzova number 5, born on 31.08.1988. I graduated high school direction electro technician for computer Equipment and automatics then graduated faculty of the Technical Faculty of Informatics. Based on your interest for youth highly motivated, educated, and professionals, I think I have a big enough incentive to work.

If I get your opportunity with my maximum effort and commitment, yet with your support, I hope to achieve results as my success and thus the success of the company that you have for a while.

I am currently employed in the (Karpa of South Florida ) since 2016. I have experience with ( NodeJs , AngularJs, Sails , Javascript ,MongoDB, Bootstrap, Html, Css, Git, Linux , VM.), almost 6 years. I work on site [simplecanvasprints.com](https://simplecanvasprints.com) where is for selling canvases, we use technology (AngularJs, Nodejs, Sails, mongodb) . In the meantime I want to make a change where I will have the opportunity to learn new technologies.

I believe that with your support I would become a person which completely meets your requirements. I expect your call and I expect a positive reply. Thank you in advance.
