

# HELLO!

I'm Macco Design™

the most famous and highest quality  
graphic designer in Macedonia.

(Most famous in the field of YouTube.)

I make all kinds of graphic designs,  
such as: logos, banners, flyers, posters,  
brochures, business cards, YouTube  
thumbnails, covers, etc.

In the following pages I will show you  
a part of my work that I have done  
over the years, my short story and what  
graphic design means to me and how  
important it is in our lives.

# SHORT STORY ABOUT ME

Graphic design is something that fills me, something that I do with a lot of love and passion from the very beginning and I'm sure that I will do it all my life.

Graphic design is something I do and I have more than four years of experience in it.

It's something that has turned from my hobby into my job and changed my life forever!

I really try to do the best for my clients and meet their requirements in the best possible way.

If you want your designs to look amazing and unusual - I'm the right designer to hire for your project.

# THUMBNAIL DESIGN

In relation to the thumbnail designs, I have collaborated with many famous and current personalities from Macedonia.

Some of them are: Lazarov, Ritko Mdfk, Aleksandar Dinev, Mario Arangelovski, Sportikum, Urban Records, Lara Ivanova, Miha Gigov, etc.

These are the projects I have worked on for them.
