

Hi there, my name is Goran and I've been working as a professional graphic designer for 5 years now. Excellent graphic skills, organizational and time management abilities, as well as multi-tasking, are just some of my outstanding skills and abilities. I excel in photo restoration, social media posts, creating flyers, posters especially etc. Feel free to contact me and we will discuss what needs to be done! My knowledge and many years of experience in such projects will surely save you a lot of time, effort, and money! See you!
