WORK EXPERIENCE

Medical intern

City Hospital [09/2013 – 06/2015]

City: Bitola

Country: North Macedonia

I was working as a physical therapist and helping the patients. I helped the patients regain their mobility. I mostly dealt with elderly people, but there were younger people who were victims of accidents. I was there a couple of days a week and I was working for 4-5 hours. This experience helped me to get a better understanding of everything that I have learned during high school.
