## WORK EXPERIENCE

**03/2022 – CURRENT** Philadelphia, Pennsylvania, United States

● **UX designer** Upped Events Inc.

Defining user requirements alongside the Product Owner / COO for individual events.

Ideation, wireframing, testing and translating the ideas into user friendly and intuitive design solutions using design guidelines for the respective platform (including Material Design, Fluent Design, Apple's HIG)

As the first designer in the start-up I developed the design system and guidelines, having to teach interns how to implement ready-to-use components and variants in their files.

After a 9 month period, I was left as the only designer in the company, taking over the whole Product Design, defining and planning features.
