PERSONAL PROFILE

Quick learner with time-management skills who believes in the importance of self-improvement and is probably one of the most organized people you have ever met. I'm excited about the opportunity to become a full-stack developer because the experience itself will be the type of challenge i want in my life right now. I don't have all the answers but i know success comes with consistency and effort.

ACADEMIC BACKGROUND

- Brainster Academy

Full-stack developer, 2020-2021

HTML

CSS

Bootstrap

JS

MySQL

jQuery

PHP
