PROFILE

Detailed-oriented Junior Web Developer, Great communicator, highly social and team player, addicted to technology, and fast learner, I actively seek out new technologies and stay up-to-date on industry trends and advancements. Focused on any task at hand and able to utilize existing and experiences to come up with practical solutions and alternatives to testing processes. For this reason, I am looking for a company willing to offer me a placement among their developers. In return, I would offer my full commitment, and be a pleasant and friendly addition to your team. I am therefore currently looking for a job or an internship as a front-end developer.
