Profile / About me

A highly motivated, results-driven physiotherapy high school graduate. Possesses exceptional communication skills and is proficient in English language, as well as a range of computer applications. Adept at utilizing active listening and problem-solving abilities to achieve optimal client satisfaction outcomes. Passionate about computer gaming, sports, and basketball.

Why I choose Rumble

As a highly organized individual, I am able to manage multiple tasks efficiently, ensuring that all content is reviewed and approved promptly.

Additionally, I have a good understanding of similar video platforms and their community guidelines and standards. This knowledge will enable me to make informed decisions about the suitability of the content for the Rumble platform, ensuring that it meets the community guidelines and maintains a positive user experience.

I am also familiar with copyright and legal issues related to user-generated content, which will enable me to identify and address any potential issues that may arise during the review process. I am excited about the opportunity to contribute my skills and experience to Rumble and help ensure a safe, engaging, and enjoyable user experience for all.
