ALEKSANDAR KOSTEVSKI

EXPERIENCE

Nov 2023 - current
Actuary and DWH Intern • Euroins Insurance Group, Skopje, https://euroins.com.mk/

EDUCATION AND TRAINING

- **Faculty of Natural Sciences and Mathematics, Ss. Cyril and Methodius University, Skopje**
  Bachelor of Science in Applied Mathematics, 2019 – current (expected to graduate in 2024)
  Credits: 222/240   Average: 9.69

- Udemy course: Python for data science and machine learning bootcamp, 2023 (January – April)

- Udemy course: Machine Learning A-Z™: AI, Python & R + ChatGPT Bonus [2023], 2023 (April - June)

PERSONAL SKILLS

- Good command of Python and relevant libraries for data engineering (and BeautifulSoup, web-scraping library)

- Good command of T-SQL (currently using it to modify and update certain SQL procedures to automate monthly, quarterly and yearly reports and distributing them to users through power BI)

- Fluent in English

PROJECTS

A personal project I have made to showcase my data science skills. I did regression models estimating the price of renting out an apartment in Skopje based on certain attributes, on a dataset I scraped off a popular macedonian website used to post real estate ads.
