Karl Libkneht st. 4/2-1, Skopje, 1000, Skopje, North Macedonia

About me:
My name is Olivera Tanceva. I am from Skopje, Macedonia. I have lived here my whole life. Ever since I was little I was interested in Science and Technology. Graduated from st. Cyrill and Methodus University my major at this University was Computer Systems and Automation. Since then I took a Master degree at Paul Sabtier University in Toulouse France. I am fluent in English and French, other then my native language Macedonian. Aside from my work I am interested in maintaining a healthy lifestyle.

WORK EXPERIENCE

01/04/2014 – 01/08/2015 – Skopje, North Macedonia
WEB APPLICATION DEVELOPER – INTYLER FIMACO

During my work at this Company, I used several web programming techniques, front and back, using CSS, HTML, Javascript.

Most of the applications I have worked on were Web applications as Websites written in HTML, CSS and Javacript. I have used different frameworks, such as Bootstrap adn JHipster.

During my work on these applications, I have work on the frontend part editing and developing more parts on the GUI, different JS functions and applying different styles on it.

01/05/2016 – 30/09/2016 – Nice, North Macedonia
EMBEDDED SYSTEMS SOFTWARE DEVELOPER – SCHNEIDER ELECTRIC

Embedded systems software developers program, implement, document and maintain software to be run on an embedded system. The system I worked was a Schneider Modbus device and my work was on the Ethernet network mostly. The programming languages I have been using were C and C++..

01/02/2017 – 31/10/2017 – Pau, France
SOFTWARE ENGINEER – SAFRAN ENGINEERING SERVICES

Fullstack .NET Software Development engineer. During my work here I was already trained to be a .NET developer. My work was using the ASP.NET Framework. I mostly worked on the backend part using C# and VB.NET.

01/10/2018 – 31/08/2019 – Skopje, North Macedonia
TECHNICAL SUPPORT ENGINEER – SEAVUS

Working as Fullstack .NET developer mostly using UNIX systems. Worked with the same framework on the main project Manager application using JIRA ticketing systems.

01/09/2019 – 01/10/2022 – Skopje, North Macedonia
FREELANCE ASP.NET DEVELOPER – SELF-EMPLOYED

Most of the projects I work on are for major tech companies following my overall experience of 4 years as a .NET developer. Using different architectures on different applications, applying changes and changing and implementation.
