▽ Summary

▽ I am Aleksandar Jadrovski, a dedicated frontend developer with a passion for crafting seamless and visually stunning web experiences. Proficient in HTML, CSS, and JavaScript, I thrive on turning creative ideas into responsive and user-friendly websites. With a keen eye for design and a commitment to staying updated on industry trends, I am excited to contribute my skills to projects that push the boundaries of web development.

▽ Skill Highlights

▽ Complex problem solver
▽ Project Management
▽ Strong decision maker

▽ HTML, CSS, JavaScript
▽ React, Angular, WordPress
▽ Git, GitHub

▽ Experience

▽ **Academy Computer Science and Software Development Academy**
▽ At **"Faculty of Information and Communication Technologies"**, I honed my front-end development skills while studying. The comprehensive curriculum provided me with a strong foundation in HTML, CSS, and JavaScript, along with exposure to modern frameworks such as React and Angular Through hands-on projects and collaboration with colleagues, I gained hands-on experience building responsive and user-friendly web interfaces, laying the foundation about my career as a developer.
