Filip Stojanov

Motivated, communicative and responsible person, currently in third year pursuing bachelor of information technology/software engineering. Working experience as graphic designer for more than 8 years, using Adobe Photoshop, Illustrator and InDesign as well as website development using Figma, HTML and CSS. Awarded with professional diploma at NewMan's business accelerator - Academy for brand identity, graphic and UI design, seeking to use my skills in HTML, CSS, JavaScript, C# and .NET framework to meet the needs of the market as developer.
